Extending Outreach, Supporting Families and Strengthening the Trust

During October, the Trust continued its efforts to assist distressed families of forestry personnel, strengthen institutional engagement and mobilise contributions. Four PCCF (HoFF) interactions took place during the month, bringing outreach to five States in all. The Trust also provided assistance to its 11th beneficiary family and held the Sixth Meeting of its Board of Trustees.

◆ OUTREACH WITH STATE FOREST DEPARTMENTS

During October 2026, the Trust held fruitful interactions with PCCFs (HoFFs) and senior officers of the Assam, Punjab, Himachal Pradesh and Karnataka Forest Departments to strengthen awareness, institutional support and voluntary contributions towards its welfare activities.

On October 09, 2026, some Trustees met Shri Sandeep Kumar, PCCF (HoFF), Assam, and the Trust's State Coordinator at Guwahati. Discussions focused on reviewing the State Government's welfare provisions for forestry personnel who lose their lives or sustain grievous injuries in the line of duty, including compassionate appointments, and obtaining copies of relevant Government orders. The Trust also sought support for displaying donation posters at prominent eco-tourism destinations and encouraging voluntary contributions from serving and retired forestry personnel, citing the successful mobilisation initiative in Haryana.

On October 15, 2026, the Trust held online interactions with Shri Dharmender Sharma, PCCF (HoFF), Punjab and Shri Sanjay Sood, PCCF (HoFF), Himachal Pradesh. Through PowerPoint presentations, the Trust outlined its genesis, revival, expanded mandate, activities and progress, and sought the Departments' support in extending awareness among frontline forestry personnel. Both PCCFs responded positively and assured their support. In Himachal Pradesh, posters had already been circulated to prominent eco-tourism sites, with further outreach planned through forestry associations. Earlier communications by the Trust were also shared with the Punjab Forest Department for follow-up action.

On October 29, 2026, the Trust held an interactive online meeting with Dr. Meenakshi Negi, PCCF (HoFF), Karnataka, and other senior IFS officers. The officers were apprised of the Trust's activities over the preceding nine months and the assistance extended to distressed families of forestry personnel. Their queries were addressed, and they assured active involvement in promoting awareness and strengthening the Trust's outreach.

With these four interactions during October, the Trust has engaged with PCCFs (HoFFs) in five States so far. Continued follow-up with the respective Forest Departments will help extend the Trust's activities to the grassroots level, strengthen voluntary contributions and facilitate timely assistance to deserving families.

◆ ASSISTANCE TO THE ELEVENTH BENEFICIARY FAMILY

The Trust extended financial assistance to the family of late Shri Rajkumar Chakraborty, Head Forest Guard, Ranchi Wildlife Division, Jharkhand, who died in a road accident on September 01, 2026, while returning from duty. Of ₹ two lakh approved, ₹ one lakh was released to his spouse on October 12, 2026; the remaining ₹ one lakh was payable to his mother.

The Trust has now taken up 11 cases across 10 States. Assistance of ₹24.85 lakh has been approved, ₹20.35 lakh released and ₹4.50 lakh remains to be disbursed.

◆ SIXTH MEETING OF THE BOARD OF TRUSTEES, OCTOBER 10, 2026

The Board reviewed the Trust's activities for FY 2025–26, the follow-up action on earlier decisions and the financial statements, including the bank account statement, audited balance sheet and Income Tax Return for Assessment Year 2026–27. It also noted the milestones achieved during April–September 2026 and the monthly e-Newsletters. The Trustees expressed satisfaction with the financial statements and had no further observations.
