**Minutes of the Fourth Meeting of the Governing Body
of the Indian Forest Service Benevolent and Welfare Trust
held virtually on April 23, 2026 at 1930 hours**

The list of members present in the meeting is at **Annex**.

The President welcomed the members to the fourth meeting of the Governing Body, after which the agenda items were taken up. The decisions taken are recorded below.

1. Finalisation of the brochure of IFSBWT

The format and contents of the proposed brochure of the Trust were discussed. It was decided that the brochure should include indicative projections of the aggregate financial assistance the Trust proposes to extend, in a given financial year, to the families of forestry personnel who die in the line of duty and to personnel who are grievously hurt or incapacitated, along with the approximate number of cases in which such assistance may be rendered. The brochure will not specify any fixed quantum of assistance attributable to an individual case. Some new photographs are also to be incorporated in the draft already circulated. Mr. Surendra Kumar (KR:1986) has kindly agreed to take up this responsibility.

(Action: Mr. Surendra Kumar)

2. Finalisation of the budget for FY 2026–27

After detailed deliberations, the following projections were decided upon for the budget for the financial year 2026–27:

- (i) The Corpus Fund of the Trust to be increased to ₹5 crore.
- (ii) Projected expenditure of ₹1.2 crore, which shall cover financial assistance to forestry personnel who die in the line of duty or are grievously hurt, together with administrative expenses for running the affairs of the Trust.

All members of the Trust shall make efforts, individually and collectively, to augment the corpus of the Trust.

(Action: All members of the GB)

3. Finalisation of the date of the webinar with State/UT associations

It was decided to organise a webinar for all IFS/SFS/FRO/Frontline Staff Associations of the States and Union Territories on May 23, 2026, online at 1900 hours, to apprise them of the objectives and activities of the Trust. The Coordination Committee will accordingly make arrangements for notifying all concerned associations and organising the webinar. Other members of the GB will also help in organizing the webinar as desired by the Coordination Committee.
